Sir,

I have the honour to state that the Assistant Sanitary Inspectors Mohamad Nuruddin allikhan, and K Mariappa were posted to this Municipality temporarily for special cynogas work in December 1943, but their stay had to be prolonged, as it was necessary to continue the cynogas work; their stay having exceeded ten days they are not given any daily allowance from January 1944.

As they ceased to get the daily allowance of Rs.0-6-0 which they were getting formerly, they put in a representation through the Health Officer, on 13th September 1944, for granting them a cycle allowance of Rs.5/- per mensem, as in the case of other Assistant Inspectors and as Mysore city has become their temporary headquarters This was referred to the Director of Public Health and he recommended in his letter No H E S.456 dated 12th October 1944, that the officials may be given the allowance prayed for by them. (Vide copy of his letter enclosed herewith).

The Municipal Council considered the representation of the officials, with the recommendation of the Director of Public Health, in their meeting held on the 28th October 44 and resolved to sanction a cycle allowance of Rs.5/- to each of them from January 1944

In forwarding herewith a copy of the Council Resolution No.291 dated 28th October 1944, I request you to be so good
